A MESSAGE FROM PRESIDENT

"I AM VERY HAPPY TO MEET YOU BY THIS MESSAGE"

Give us your shining children, your failing children; give us your children who need love as much as they need learning. Give us your gifted children who have talents and skills. Give us your children who have nothing. Give them all to us, in whatever from they come and people within these walls will help. We will give you the doctor, engineers, scientists, lawyers, ministers and the teachers of tomorrow. We will give you the mothers and the fathers, the thinkers and the builders, the artists and the dreamers. We will give you hopes and the dream of tomorrow.

"We Will Give You the Future."

Advocate Madan Lal Pitaliya
President, Management Committee

A MESSAGE FROM PRINCIPAL'S DESK

We, KVC JAIPUR, with your able support from you, desire to give it the right place in the child's curriculum, and make their day in school, a pleasure rather than a drag with a huge burden on their backs and minds. The aim is that the ugly word of the day - "STRESS", has no place within the precincts of this campus. Learning has to be fun and the time spent by them, amidst us has to be memorable, to leave an indelible mark on the future lives. We have thus set out a challenging task ahead.

"Shaping Better Tomorrow."

SH. Kushal Pal Singh
Principal

A MESSAGE FROM SECRETARY

The teaching and non-teaching personnel here are committed to providing excellent services both in and beyond the classroom.
